

DECLARATION

Alfred Quinn hereby declares as follows:

1. I reside at 1957 19th Street, #3, Santa Monica, California. I am a member of the Board of Trustees of Santa Monica Community College District ("SMCCD"), a nonprofit educational institution. The purpose of this Declaration is to support the petition which is being jointly filed by SMCCD and Living Way Ministries ("LWM") to resolve their conflict over mutually exclusive applications at the Federal Communications Commission ("FCC") to provide new FM service.

2. SMCCD filed its application with the intention of providing new noncommercial service to the Mojave, California community. The application was not filed for the purpose of reaching or carrying out any settlement.

3. Upon learning that its application was in conflict with another application filed by LWM, SMCCD explored avenues by which the conflict could be resolved in a way that would enable SMCCD to provide new service. It was ultimately determined that those goals could be achieved by a settlement agreement under which SMCCD would amend its application to specify a different channel in Mojave.

4. SMCCD and LWM have entered into a Settlement Agreement which (1) provides that SMCCD will amend its application to specify a new channel to eliminate the conflict with LWM's proposal and (2) requests that both SMCCD's amended application and LWM's pending application be granted. Approval of the joint petition will serve the public interest by eliminating the need

for a hearing and expediting service by SMCCD to Mojave, California and by LWM to Lancaster, California.

5. As explained in the Settlement Agreement executed by the parties, no consideration has been promised or exchanged in conjunction with the agreement.

I hereby declare under penalty of perjury that the foregoing is true and correct.
